Caroline A. Cope Award for Excellence in Oncology Research

An endowment fund has been established at the University of Manitoba through a bequest from Ms. Caroline A. Cope. The available annual income from the fund shall provide two annual student awards, of equal value, for cancer research. One scholarship will be offered to a graduate student and one scholarship will be offered to postgraduate resident or fellow who:

- (1) is enrolled full-time in either (i) the Faculty of Graduate Studies in a Masters or Doctoral program delivered by a department in the Faculty of Medicine or (ii) Postgraduate Medical Education Program, in the Faculty of Medicine, either as a resident or as a fellow;
- (3) has demonstrated research excellence in the area of oncology.

Candidates will be required to submit an application that will consist of (i) a description of their proposed or ongoing research (maximum 500 words), (ii) a curriculum vitae, and (iii) two academic letters of reference from professors at a post-secondary institution.

Graduate student recipients may hold the Caroline A. Cope Award for Excellence in Oncology Research concurrently with any other awards, consistent with policies in the Faculty of Graduate Studies. Postgraduate residents or fellows may hold it with any other award.

The selection committee shall be named by the Dean of the Faculty of Medicine (or designate) and shall include the Associate Dean, Research and the Assistant Dean, Graduate Studies of the Faculty of Medicine (or their designates).
